## FFC Board Meeting

## 2/24/21

Attendance: Adam Cohen, Sue Torelli, Mike Nichter, Barb Storti, Jamie Schaffer

### Father's Day Tournament

Dan Feinberg started the paperwork though additional information is needed. Mike will reach out to Sondi Smith to assist further with the paperwork.

### <u>Uniforms</u>

Sue spoke with Erin Yerina who put together a package for standard union through Afrims. Discussion re. addition of practice bib (aka pinnie, approx. cost \$8). Benefit is each player will have their own bib which reduces issues related to COVID and makes it easier on the Coaches who bring them back and forth. Decision made to move forward with practice bibs added to the standard uniform.

#### Spring Rec

Discussion ensued re. how to run the Spring session of rec. Consensus was that Spring Rec should run with the same format as the Fall Rec program did. U12 is the cut off for Rec this season.

Discussed need to have boilerplate practice activities for those parent volunteers who need more support.

Discussion ensued re. use of refs. Jamie reported that there have been issues in the past with refs not being structured and helpful and Fall Rec went well without refs. Jamie also noted that some parent volunteers reached out to her and said that they preferred to ref their own teams. Decision made to not use refs for this Spring season.

Discussion re. uniforms. Jamie will follow up with All Star and Adam will reach out to Score re. cost and sizing. Jamie will forward to Adam the # of uniforms needed.

Barb and Jamie advocated for one cost for Rec due to issues with Got Soccer accepting various fee schedules. Decision made to charge \$65 per Player which will include FFC mask and pinnie.

#### **Registration**

Barb and Kim trained two people recently on registration.

#### **Elections**

Plan is to send an email with those people who submitted bios and move forward with virtual voting. Sue will send an email out to all who submitted their nomination letting them know if next steps.

#### **Equipment**

Sue would like to develop a "Request for Equipment" form to organize requests.

# <u>Cameras</u>

Adam used the cameras and would be able to walk others through how it works.

## COVID Protocols

We need to ensure that all Players are completing the COVID form and coaches are taking attendance. Sue will send out an email to all Coaches outlining this requirement.
